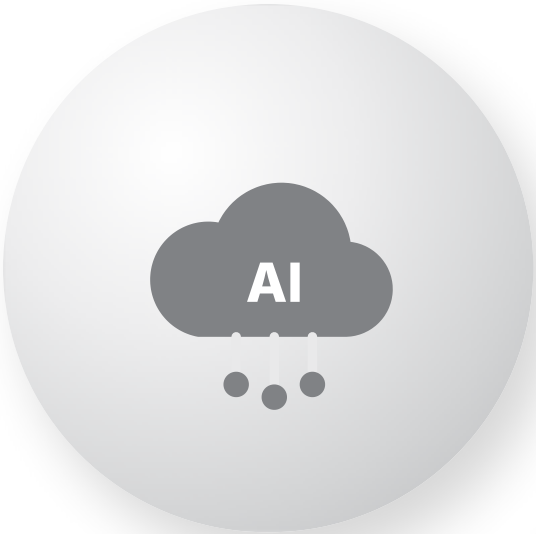
IRINA TECH DIGITAL

Transforming Industries & Enhancing Lives

Driving innovation and progress through human-centric, generative & agentic AI.



AGENTIC AI ACROSS INDUSTRIES

About Irinatech Digital

We help organisations multiply human expertise with AI-driven insight, through accelerated frameworks for generative and agentic AI.

Irinatech Digital is the digital and AI arm of Irinatech. We deliver cloud-based enterprise AI platforms, tailored to the realities of each industry and built on a foundation of ethical, human-centric AI.

We partner with organisations on rapid AI adoption, shaped around their strategic goals, so that innovation turns into measurable efficiency and growth.

Accelerated Solutions

- Cloud Infrastructure
- Generative AI
- Product Studio
- MLOps

Trusted by Leading Brands

ABB | Caterpillar | Coca-Cola | Nestlé | Novotel

Revolutionising Industries with Agentic AI

Healthcare
Optimised clinical workflows, better patient experience and stronger compliance.

Manufacturing
Higher productivity, predictive maintenance and process optimisation.

Technology
AI across the product lifecycle, from design and development through to launch.

Finance
Smarter risk management and compliance powered by AI.

Retail
Personalised omnichannel experiences that build loyalty and engagement.

5	**Core industries served with tailored agentic-AI solutions**
4	**Accelerated solution areas, from cloud infrastructure to MLOps**

The Cloud AI Advantage

Our cloud AI experts drive transformation and growth, built around innovation, profitability and sustainability.

01 Streamline Cloud Migration & Modernisation

Move to cloud AI to cut costs, improve performance and speed up innovation.

02 Rapid Insights & Predictive Analytics

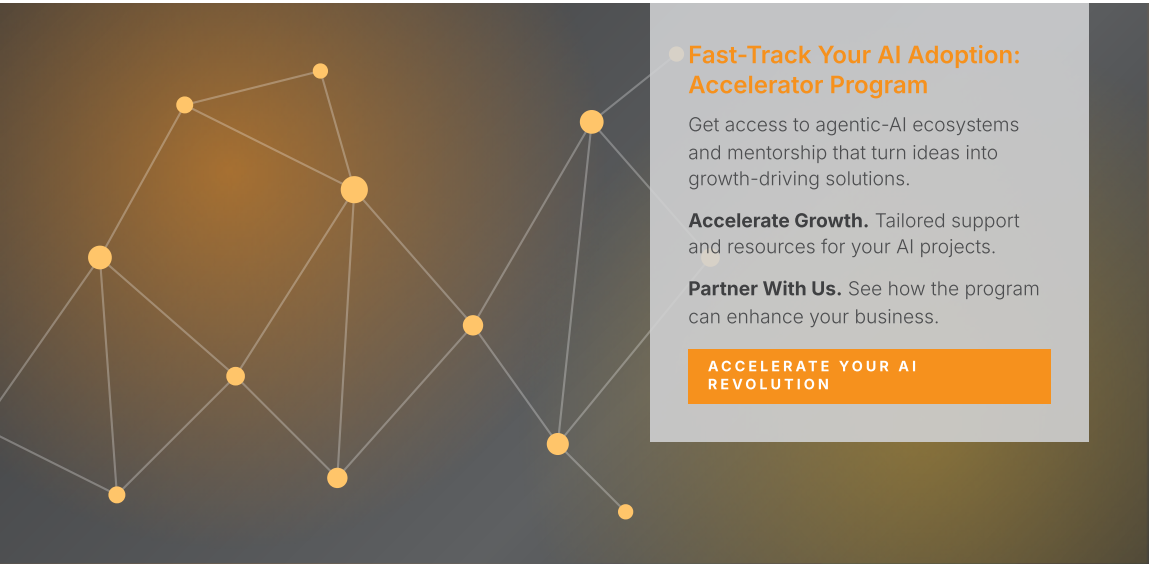
Analyse, predict and act on real-time trends across your business.

03 Enhanced Security & Compliance

Governed applications that meet regulatory requirements and the highest standards.

04 Personalised Omnichannel Experiences

Consistent, personalised customer experiences across every channel.



Fast-Track Your AI Adoption: Accelerator Program

Get access to agentic-AI ecosystems and mentorship that turn ideas into growth-driving solutions.

Accelerate Growth. Tailored support and resources for your AI projects.

Partner With Us. See how the program can enhance your business.
